BACKGROUND

Currently in the process of wrapping up my studies at Tidewater Community College (TCC), earning an Associate of Applied Science (A.A.S.) in Cybersecurity (graduation May 2024).

By Fall of 2024, I will study at Old Dominion University (ODU) where I will obtain a Bachelors (Class of 2026) & Masters (Class of 2028) in Cybersecurity.

Currently working as a Virtual Student Support Agent (Tier 1 Helpdesk) at Tidewater Community College Norfolk HQ helping students navigate the college processes and provide technical support.

Additionally, I have worked successfully as a Web Developer Intern, helping a local museum drive visitor experience, gather donations, and marker key events.
